Next Week....

3's class Next week we will focus more on the customs, traditions, and symbols of Pesach, create our Haggadot, continue to read books and practice Pesach songs, and do science experiments with yeast. **2's classes** Next week we will go over our kitchen corner and try to learn what is Chametz and Kosher for Pesach. We will clean our room for Pesach and we will practice with our songs (Ma Nishtana, frogs on the head). **Pre K class** Next week - the letter q, questions 3 and 4 as well as getting as far as we can with the Passover Haggadah.

Aftercare Antics!

A Morah Katie train

The doctor is in

Kiddish!

Shabbos Times:

Candle lighting: 6:59 PM

Shabbos ends: 7: 58 PM

2- Year Old - 3 day class

Mah Nishtanah ... This week we started our hard work learning the first of the four questions, Why do we eat Matzah? We listened to music, created matzah art, and sang! Using forks as our paint brush, we created our first matzah, you can see the results in our gallery.

We want to welcome Bayla to our class, she joined us on Wednesday. All the children were curious about someone new and were very welcoming.

Friday we celebrate our Nissan birthday, Noa. We decided to make a teddy bear card because Noa likes to tuck in our classroom teddy.

We loved playing outside this week and tried a new play area - the deck. We enjoyed playing ball and driving cars on the surface.

Shabbat Shalom!

2-Year-Old – 5 day class

This week the children were working on their Hagadas page by page.

After they heard the story of Pesach, the children decided to set up the table for Pesach and they tried to sing the Ma Nishtana.

We used books to tell the stories of how we celebrate. The Passover Seder. Company's Coming and Sammy Spider's first Passover.

After we learned about the seder meal the children were excited to look for the Afikoman. Miles found it !!!

Shabbat Shalom-

Morahs Suzy, Shari, Miki and Rose

3-Year-Old Class

We're deep into learning about Pesach now.

We each created a baby Moshe - tracing, cutting, and assembling circles and ovals for the head and body while comparing these two similar but different shapes. Each baby Moshe is now safely in the baskets we wove last week.

Delving deeper into the Pesach story, we learned how Paroah was mean to the Jewish making them work so hard building cities. We practiced our own building.

We are very sad that Paroah wouldn't let the Jewish people go and Hashem had to send eseret hamakot (10 plagues). However, we're having fun hopping around like frogs.

Finally, Paroah let the Jewish people go and Moshe led us out of Mitzrayim (Egypt). Simulating our own Yetziat Mitzrayim (Exodus from Egypt) with painted feet was the ultimate fun this week!

Our Haggadot are in the works, with illustrative photos taken of the children. Here's a sneak peak. Too cute!

Welcome to Azariah who joined our class this week!
We're so happy to have you. Bruchim Habaim!
Shabbat Shalom!
Morah Amy and Morah Goldie

Pre K Class

The Passover story has begun. We are learning Pesach with numbers as well as the story complete with sheep, burning bush and being brave to talk to Paroh.

There are 10 plagues,
4 cups of wine,
4 questions,
3 matzahs,
2 hand washings,
1 seder plate,
1 maror,
1 afikomen,
1 dinner,
1 cup for Elijah

We love learning & singing the Makkah song & learning the four questions. This week, we are doing our best to get the first two questions and we've started to make our Passover Haggadah. We are cutting, gluing and discussing what it means to be a slave, what it means to be free and of course the delicate matter of "mean paroh" & the tenth plague which came up in class.

Shabbat Shalom - Morahs Terri & Maddy
